

# Positive Approach to Care®

www.TeepaSnow.com

## VIRTUAL

### Dementia Care Educational Support Series

*for families who care for someone with dementia*

#### Sessions Include:

- Dementia Care Videos by Teepa Snow
- Interactive Activities and Discussions by Zoom
- Handouts and Resources for each class

#### Topics include:

- Understanding Dementia--what it is and isn't
- Learning How to Cope with Brain Change
- Understanding the Impact of Sensory Changes
- Person-Centered Problem Solving
- Using Positive Approach Skills to Re-connect

**Note:** All sessions are facilitated by Laura Hendrie using the Zoom platform and require participants to use a microphone and camera.

#### What People Said in 2022:

*"I felt heard, emotionally, and wisely advised."*  
- Seonaidh D.

*"I had no tools to help with my husband's transition and now I do!"*  
- Sue H.

*"I am so grateful for your energy, wisdom, presentation, and obvious expertise. Thank you for today!"*  
- Jacque R.
